

Step 4 - I make a searching and fearless moral inventory of myself

- *Have you had any broken relationships? If so, describe them and how they hurt others or yourself. Describe any grudges, anger or resentment you have over these relationships.*
- *Have you ever felt self-righteous? Explain when and the circumstances. Was this justified? Elaborate.*
- *What events or triggers have caused you to begin your addictive behaviors in the past? Describe situations, feelings, events, food or people that seem to be a part of your life just before or during your addictive behaviors.*
- *Have you ever held a grudge? Did you try to get revenge? If so, explain the situation and how it played out, including whether or not someone else was hurt.*
- *Describe times when you have been oversensitive. Did this ever damage your relationship with others, or were you just trying to keep your own boundaries?*
- *Have you failed to do things you KNOW you should have done? If so, then explain in detail.*
- *What are your fears? How have they caused you difficulty in your life?*
- *Describe your relationship with your friends, co-workers or neighbors. Is there something you wish you could do over again? If so, explain in detail.*
- *Describe your relationships with your family of origin. Do you have conflicts with any siblings or with your parents? Are you avoiding these matters in your family?*
- *Describe the earliest memories of your life. Did you share a similar personality with those in your family or were they very different than you? Do you think these similarities or differences caused problems in your life? If so, explain.*
- *If you were to describe your family's major themes, what would they be?*
- *Describe your relationships with your nuclear family (spouse and children) if that is different now from your family of origin. Is there anything you wish you could erase from this part of your life?*
- *Describe the faults you detest most in others. Do you have any of these traits yourself?*

- *Put a checkmark beside any of the following traits you despise in others. Also check whether you see these traits in yourself.*
